APPLICABLE SCENE

Suitable for hospitals, office buildings, factories, government agencies, shopping mall, hotels and other fields

- Four-in-one sweeping, vacuuming, mopping, and UV Floor Disinfection
- User authority verification and management
- Smart reminder function

Product Parameter

Water tank capacity	15L
Cleaning route	Sweep along the wall in a 弓 shape
Way of working	Custom/cycle automatic/manual cleaning
Cleaning speed	0.1–0.5m/s
Lithium iron phosphate	25Ah/38.4V
Minimum pass width	900mm
Battery life	Around 6–10H
Cleaning mode	Standard
Charging time	Around 6H
Dimensions (mm)	684(L)x500(W)x600(H)
