Service Robot

WHAT'S SO SPECIAL ABOUT TEMI

● PERSONAL ASSISTANT

Autonomous AI assistant robot, Temi can help to entertain and assist the customer anytime when needed.

● CUSTOMIZE ENGAGEMENT

Temi differentiate operations by providing cost effective, 24/7 autonomous assistant for daily task.

● TELEPRESENCE

Temi keeps your sales staff present anywhere, anytime to help the customers looking for custom request.

● SMART NAVIGATION

Guide your customers to specific products or places, providing flawless autonomous navigation around your place while keeping the engagement as interactive as possible.

● CUSTOMER EXPERIENCE

Temi's movement and voice gestures add fun and drive curiosity that will grow to become more enjoyable experience for the customer.

HOW TEMI HELPS YOU

Temi is the first robot that truly interacts with humans while providing flawless autonomous navigation, dynamic video and audio experiences and advanced AI.
